OAKLANDS PRIMARY ACADEMY

NURSERY ADMISSIONS POLICY

Oaklands Primary Academy operate an inclusion and equality policy and ensure that all children have access to nursery places and services irrespective of their gender, race, disability, religion or belief or sexual orientation of parents.

Aims

Our aims are:

- To ensure access and entitlement to the benefits of high-quality Nursery education on a fair and equitable basis, for children and families in our local community.
- To establish an admissions policy governed by clearly defined criteria that may be articulated to parents and other professionals.
- To help promote consistency of practice and procedure between Nursery classes in the Chancery Education Trust.
- To ensure, as far as possible, that all children who gain a place will fully benefit from their Nursery education with us, their needs being fully met, whilst we make the very best of our available resources.

Waiting list is held in the Academy School for places

Deposit

We do not currently require a deposit for a place on our waiting list.

Criteria for admission to the nursery

If there are more requests from parents/carers than the number of places available, the following criteria will apply and the amount of time a child has been on the waiting list will not be taken into consideration. Places are allocated three times per year in advance of the term the children are due to start. At this point all names on the list will be assessed according to the criteria. (Places can also be allocated throughout the year at other times if spaces are available.)

Places are allocated according to:

1. Child Looked After (CLA) (Children in Public Care) (see note i).
2. Siblings - Children who have a brother or sister at the preferred Academy School at the beginning of their first term (see note ii).
3. Children of staff at the Academy School
 - a) Where the member of staff has been employed at the Academy School for two or more years at the time at which the application of admission to the Academy School is made and/or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Proximity – proximity as measured in a straight line from the front door of the home to the front door of the Academy School (see note iii and iv).

Chancery Education Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Notes

- i. A child looked after (CLA) is a child who is in care to a local authority or who is provided with accommodation by that authority and will still be looked after when at the time an application for their admission to an Academy School is made, and who the local authority has confirmed will still be looked after at the time when the child is admitted to the Academy School. Children placed by the Local Authority by a Kinship or residency order are NOT classed as child looked after.
- ii. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address. The elder sibling must still be on roll at the Academy School when the younger child starts school.
- iii. "Home" being where the child normally resides as their only or principal residence. Addresses involved in child minding (professional or relatives) are excluded. Parents will be asked to provide documentary evidence to confirm an address and parental responsibility. It is expected that the applicant and pupil will still be resident at the same address when the child starts school unless exceptional circumstances apply.
- iv. Distance will be measured (in a straight line) from the front door of the child's home address (including flats) to the main entrance of the Academy School, using the Local Authority's computerised measuring system, with those living closer to the Academy School receiving the higher priority.

All applicants will be required to complete an application form and return it to the Academy School office to be placed on the waiting list.

Proof of a child's date of birth and home address is required at the time of application and admission.

Decisions on places

Decisions to offer a place will be based on the criteria and procedures laid out in this admission policy. Children born between:

- 1st January and 31st March can start in April.
- 1st April to 31st August can start in September.
- 1st September to 31st December can start in January.

The offer of a Nursery place **DOES NOT** mean automatic entitlement to a place in one of the Reception Classes. This is in line with the Legal National Admissions Code.

Prior to a child attending this setting, parents must:

- give a copy of the child's full birth certificate,
- give a copy of a utility bill confirming parent/carer home address
- complete and sign a Parent Contract – stating the hours your child attends. This is an agreement to allow us to claim the government funded place.
- sign our terms and conditions in our admission form. These forms provide us with personal details relating to the child. For example, name, date of birth, address, emergency contact details, parental responsibilities, dietary requirements, collection arrangements, fees and sessions, contact details for parents, doctor's contact details, health visitor contact details, allergies, parental consent and vaccinations etc.
- complete all other relevant forms such as home school agreement, photo permission form etc
- Pay a deposit of £100 if you are requesting top up hours above your free funded hours (this will be refunded when your child leaves the nursery)

The Nursery will always be staffed by qualified staff in accordance with the current EYFS statutory documentation.

We also offer a 45 minute lunch session between 11.30 and 12.15. Children in the morning nursery can stay for lunch and those in the afternoon nursery can start earlier and have lunch before their session (dependent on numbers and demand).

The lunch session costs £4.88 for 3-year-olds and £6 for 2-year-olds. The hot meal from our Academy School catering team can be purchased at an additional cost. Please note that allergies and medical/religious dietary requirements are always catered for.

Attendance & loss of Nursery place

If attendance and/or punctuality is poor or erratic the Nursery teacher will talk to the child's parents/carers and remind them that for the child to benefit fully from Nursery education, attendance needs to be regular and punctual due to the great demand for places. This conversation will be recorded and dated in writing.

If after a period of two weeks, attendance and/or punctuality remain poor a letter will be sent to the parents/carers inviting them to meet with the Principal/Headteacher.

If, following the meeting, there is no sustained improvement in attendance and/or punctuality within an agreed period, then the child may lose their place. Parent/carers will be notified of the loss of place in writing.

Notice period, reducing sessions

We require a minimum of a half term's notice in writing if your child will no longer be attending the setting or you wish to reduce sessions. There is no obligation to give notice for funded hours. Any payment made within that notice will not be refunded and further payment may be required to complete your commitment to the end of the half term.

Transfer from Nursery into School

All parents and carers must be made aware that a place in the Nursery does not guarantee a place in the Academy School and that they must still go through the correct Local Authority Admissions Procedure.

The Nursery staff will liaise closely with colleagues in Reception classes of the allocated schools, to plan for a smooth transition into our Reception class, or any other chosen or allocated school.

Nursery staff will send on reports and other agreed records to other schools as appropriate.

Monitoring and Implementation Policy

The policy is reviewed annually, although the Trust may vary or amend it periodically to ensure that we fulfil our obligation around the Nursery Admissions Policy. All proposed changes to this policy would be made following the approval from the Committee.
